Dear Parents & Staff,

I hope you and your families are keeping well. As you are aware, our school has now been closed since 12<sup>th</sup> March due to the COVID-19 situation. We are now hoping to re-open our school safely, in line with current guidance and recommendations.

Re-opening the school safely will require the co-operation of all members of our School Community – Board of Management, School Leadership, Staff, Parents and Pupils. We will all be called on to play our part in ensuring that re-opening of the school is done in a safe manner which prevents the spread of the virus and allows the vital work of Teaching and Learning to proceed with as little disruption as possible. The School Leadership Team and Board of Management will meet in the coming days to continue with the planning for September.

In the coming weeks we will publish our COVID-19 Response Plan and policy statement for the safe and sustainable reopening of St Dominic's on our school website. The Response Plan will give information on:

- Physical preparation, signage, hand sanitiser stations,
- Advice, procedures and training for the safe return to working in the school for all school staff and pupils
- General and specific advice on how all pupils, staff, parents and visitors will prevent the spread of the virus

Our Board of Management will also keep you informed as to the progress of our re-opening plans and provide you with the information required by you to play your part in safely re-opening the school. We are really looking forward to welcoming our children back to school and will be doing all that we can to ensure that the return to school is a safe and enjoyable experience for the children. We will be in touch with you again before school re-opens.

Le Meas,

**Seamus Vaughan, Principal**
