## School Closure and Book Collection Information

8th January 2021

Dear Parent,

Sadly, we have another extended school closure to prepare for. At present, we know the school will be closed until the end of January. We hope it doesn't go any longer. We have been preparing our remote teaching & learning plan this week. You can expect to hear from your child's class teacher **early next week** where they will begin delivery of lessons. We have all gained valuable experience during the first school closure with remote learning and we will use this to help guide us this time around. We conducted a survey of parents in May 2020 and the responses to this survey will help us to plan for the online content over the next few weeks. Most of the pupils are now able to access their digital platforms as this had been practiced during the first term.

**Collection day on Tuesday.** We have a day arranged next week for the collection of books and resources. Each class will have a time where they will collect everything your child will need for distance learning. Parents will need to follow these steps:

- Arrive at the dedicated collection time for their class
- There is no entry to the school
- You can collect books from the door your child usually enters the school. Do not come to the front door of the school
- Please wear a mask while on the school grounds,
- Keep 2M distance from any parents or staff you meet
- Do not come to school if feeling unwell, experiencing any flu like symptoms, self-isolating or restricting your movements.

If you have more than one child in the school, we will arrange for all the books to be together in the eldest child's classroom. (For example, if you have 3 children in school and your eldest is in 5th class, you go to the 5th class collection point to collect for all 3 children). We may have to do some running to other classrooms, so please be patient with us. Please see the collection timetable attached for Tuesday. It is important you arrive at your dedicated time. The door is likely to be closed if you arrive late.

Over the next few weeks class teachers, support teachers and SNA's will communicate with you via different methods (Phone, email, Google Meet, See Saw, Zoom, Aladdin Connect). This will depend on the platform we deemed most suitable for your child's class.

If you are having difficulty getting in touch with a teacher you can contact the office at secretary@stdominicsns.ie or 01-4512443. Our Remote Teaching & Learning Policy and Acceptable Use Policy are available on the documents section of our website.

Stay safe,

Seamus Vaughan  
Principal
